

SUSTAINABLE *City Tours*

TRY THIS SUSTAINABLE CITY TOUR!

Today's Highlighted Tour

This Joint EFB & UAB Sustainable City Tour was created and is recommended by **Ernährungsforum Basel (EFB)** and **Urban Agriculture Basel (UAB)**, two Basel-based organizations promoting sustainable practices, shops, cooperatives, and small businesses active in transforming our food system. Tour Link: www.komoot.com/tour/1788403848

Why It Matters

Creating sustainable city tours helps to raise awareness about climate change mitigation, adaptation, and impact reduction. This is aligned with U.N. SDG educational goals. Learn more: sdgs.un.org/goals

Create Your Own Tour

Create your own city tour that promotes sustainability and supports local initiatives, business or governmental projects working towards achieving U.N. Sustainable Development Goals (UN SDGs) at www.sustainablecitytours.com
